Mobile: +1(412)251-9412

## Objective:

CPA candidate with a Masters of Accountancy degree, familiar with Accounting Software and Microsoft Office seeking a junior position to apply my abilities in auditing and financial analysis for the good of Company.

---

## Education:

Texas A&M University-Corpus Christi  
Master of Accountancy (MAcc), GPA 3.87/4.0

Corpus Christi, Texas  
Expected graduation: May 2017

King Saud University  
Bachelor of Accounting, GPA 3.92/5.0

Riyadh, Saudi Arabia  
Jan. 2013

---

## Professional Experience:

### Accounting Tutor

Jan to May. 2017

Texas A&M University – Corpus Christi

Center for Academic Student Achievement

- Tutor undergraduate students in financial accounting, managerial accounting, cost accounting, and intermediate accounting
- Explain to students their homework issues, and helping them with the review before exams

### Volunteer Income Tax Assistant

Feb to Apr. 2017

- Provide free tax return services to qualified low-income families and individuals
- Fill out electronic forms for federal tax return using TaxSlayer Pro software

### Junior Auditor

Sept. 2013 - Mar. 2014

Talal Abu-Ghazaleh Organization (TAG-Org)

Audit Department

- Regularly met with clients being audited to review quarterly and annual financial statements
- Assisted the team supervisor in ensuring accuracy of the numbers in different types of accounts
- Collaborated with the team members who work with large clients in the final review of the accounts being audited

### Accountant Intern

June to Aug. 2012

Etihad Etisalat (Mobily)

Dept. of Financial Management

- Worked as Intern in one of the largest telecommunication companies in middle east. As the schedule prepared by the supervisor, I spent one or two weeks in each division within the financial department, learning in different financial areas, and helping the employees in their daily work
